Dog's name:		Dog's breed:	
-------------	--	--------------	--

I declare (please tick)

☐	My dog is friendly with other dogs and people
☐	I have trained for UKDS
☐	I have not trained for UKDS
☐	I have trained my dog in another discipline:
☐	I have spoken to the event organiser regarding my impairments, listed here
☐	I have read and understand the following rules of entry:

Dogs/Bitches under 12 months of age, in season or suffering from* any ill health, injury or lameness are not eligible to take part at any level. (*other than those certified as fit to compete by a Vet).

Any dog displaying any sign of aggression, or any handler using punitive correction may be disqualified from the event or training session and asked to leave the venue.

Dogs may not compete at more than one level at any UKDS event but handlers may work more than one dog. There is no requirement for dogs to be KC registered.

Dogs must be worked in a suitable collar for the breed which should be worn throughout all tests. For on lead work the lead must be a clip-on type of suitable length. NFC or Training Rounds will not be permitted at any level. However, if a handler decides during their work to help their dog and forfeit their marks for a particular exercise that is their choice. They are nevertheless expected to start the test with the intention of completing all exercises according to the Regulations.
